FEBRUARY 28, 1843.

Mr. TALIAFERRO, from the Committee on Revolutionary Pensions, submitted the following

REPORT :

The Committee on Revolutionary Pensions, to whom the petition of Mary Ann Linton was referred, report :

That they have examined the evidence in support of the claim of the petitioner to the pension which had been allowed to her husband, under the act of 1832, to the time of his death, and are satisfied that the petitioner is the widow of William S. Linton, late a revolutionary pensioner of the United States; that she was married to the said Linton subsequent to the year 1783, but prior to the year 1794, and therefore entitled to a pension under the act of July, 1838. A bill is therefore reported for her relief.
